

DuraTurf® Colonial Blend

Key features:

- Contains industry leading cultivars
- Genetic diversification for year-round appearance
- Good persistence in adverse conditions
- Low maintenance

DuraTurf® Colonial Blend is widely regarded as the ultimate selection for a low maintenance, low input grass for an outstanding fine putting surface.

DuraTurf® Colonial Blend contains the cultivars Arrowtown, Manor, Egmont and Sefton which provide genetic diversification to maximise a year-round appearance. These cultivars are all certified browntops. DuraTurf® Colonial Blend should be used any time the soil surface is 'opened up' such as after drought/winter or for renovations in areas such as fairways, tees or greens.

The turf to stage the world's greatest endeavours.
