Version 1

5. Fire-Fighting Measures.

Extinguishing media:	Fight fire with water spray, foam, dry powder or carbon dioxide depending on products stored close by.
Special Protective Equipment and Precautions for Fire Fighters	In the event of fire, wear self-contained breathing apparatus. Remove product from areas of fire. Prevent run-off water contaminating drains, sewers or watercourses (bund if necessary); inform appropriate authorities immediately if product or runoff enters waterways.

6. Accidental Release Measures.

Personal Precautions:	Avoid contact with eyes, mouth or skin.
Environmental Precautions:	Prevent entry into drains, watercourses or soil. Inform appropriate authorities immediately if spill enters waterways or sewers.
Procedure for Clean-up:	Wash contaminated area with water and detergent, absorb and add to waste for disposal. Dispose of the waste safely in an approved landfill.

7. Handling and Storage.

Handling Practices:	Keep out of reach of children. Do not eat, drink or smoke while using. Use only outdoors in a well-ventilated area. Avoid accidental dispersion and spatter.
Storage:	Store in the original packaging in a cool well ventilated place, out of direct sunlight and away from stockfeed or human foodstuff.

Version 1

8. Exposure Control/Personal Protection.

Technical Measures:	Work in the open air.
Hand protection:	Wear PVC, rubber, neoprene or nitrile gloves. Check regularly for condition when using.
Eye protection:	Wear goggles with side pieces or a face shield.
Skin Protection	Wear overalls (disposable, or clean reusable), and rubber or PVC boots.
General hygiene:	Do not eat, drink or smoke while using. Wash exposed skin thoroughly with soap and water before meals and after work. Wash protective clothing daily after work.

9. Physical and Chemical Properties.

Appearance:	Brown Powder
Odour:	Slight aromatic
pH:	No data
Vapour Pressure:	No data
Vapour Density:	No data
Boiling Point:	No data
Lower and upper flammability limits:	No data
Flashpoint:	No data
Auto ignition temperature:	No data
Melting point:	No data
Solubility:	No data
Specific Gravity:	No data

10. Stability and Reactivity.

Stability of the Substance:	Stable under normal conditions of storage and use.
Conditions to Avoid:	Avoid heat, flames, hot surfaces and other sources of ignition.

Date of Issue: 14th April 2016
Version 1

11. Toxicological Information.	
Ingestion:	No toxicity
Inhalation:	No toxicity
Eye contact:	Can have irritating effect to eyes
Skin contact:	No toxicity
12. Ecological Information.	
Aquatic toxicity:	No toxicity
Mobility:	Soluble in water.
Persistence/degradability:	Rapidly degraded in surface levels of soils and waters. Considered to be readily biodegradable.
13. Disposal Considerations.	
Product Disposal:	If practicable apply excess fertiliser at recommended rates to appropriate land. Alternatively dispose of at an approved landfill.
Packaging Disposal:	Dispose of used packaging by crushing and burying at an approved landfill.
14. Transportation Information.	
NOT CLASSIFIED AS DANGEROUS GOODS FOR TRANSPORT IN NEW ZEALAND.
