

DuraVeg® Eco Mix

Key features:

- Diverse species mix
- Rapid establishment
- Large root system for stabilisation
- Wide ecological adaption
- Contains Ecotain® environmental plantain

DuraVeg Eco Mix contains a blend of fast establishing hardy cultivars as well as the added benefits of Ecotain environmental plantain, which helps to reduce nitrates entering the environment as well as allowing the surrounding species in the blend to uptake the nitrogen. Ecotain slows down the process of nitrates leaching into the environment with high counts of biological nitrification inhibitors.

Quantity	Species
60%	Perennial ryegrass
20%	Tall fescue
18%	Ecotain environmental plantain
2%	Browntop

Proven systems that reclaim and restore environments.
