

DuraTurf® Backyard Rye

Key features:

- Quick establishment
- Fine turf appearance
- Good recovery from wear
- Good tolerance of low mowing

DuraTurf® Backyard Rye is a blend of 70% fine leaf turf ryegrass cultivars, blended with 30% chewings and creeping red fine fescues. The higher ryegrass component allows for rapid establishment and excellent wear tolerance. The fine fescues provide excellent shade and drought tolerance. DuraTurf® Backyard Rye is a great all round amenity turf mix which contains no browntop.
