

DuraTurf® Premium Tees

Key features:

- Dense uniform sward
- Dark green appearance
- Rapid recovery from wear
- Exceptionally tolerant to low mowing

DuraTurf® Premium Tees seed blend (a blend of turf ryegrasses, fine fescues and browntop) is ideal for use in golf course tees and fairways. It is also a great option for elite landscaping situations and any amenity turf areas where a dark green premium turf cover is required.
