STAMINA[®] SYMMETRY

PREMIUM WATER MANAGEMENT

ACTIVE INGREDIENTS:
100% Proprietary non-ionic, alkoxylate

Stamina[®] Symmetry introduces a new generation of surfactant molecules specifically designed to provide adequate moisture to the plant when needed whilst maintaining high levels of soil oxygen. Stamina[®] Symmetry is recommended for use on fine turf surfaces or where turf is subjected to the demands of high end use such as golf greens and other surfaces where firmness is desired.

Water Management RANGE

stamina®
drip-n-rite
MINERAL DEPOSIT CLEANER AND IRRIGATION ACIDIFIER

A multi-purpose irrigation aid intended as a onetime system flush for irrigation systems fouled by mineral deposits caused by hard water, and as an acidifying agent for high pH water.

STAMINA®
GREENS WDG

Premium water dispersable granular surfactant, specifically designed for use in golf green renovation and maintenance.

DIRECTIONS FOR USE

Stamina® Symmetry should be applied in a monthly program.

APPLICATION RATES

Situation	Rate	Rate/Ha	Comments
Boom application on fine turf and other sports turf areas	150mL/180m ²	15-18L	Apply in no less than 500L/ha of water. The use of nozzles that deliver a medium to coarse droplet is recommended, and appropriate irrigation is also recommended to be applied immediately following application to position the molecule at the desired rootzone depth. Use in a monthly programme or as desired.

TANK MIX FLEXIBILITY

Tank mix combinations with Stamina® Symmetry have not been tested on all varieties under all possible growing conditions. If the user is unsure a limited area should be tested and reasonable judgement and caution should be exercised. A jar test is recommended prior to broad scale use.

FIRST AID MEASURES

Eye Contact: DO NOT rub eyes. Immediately flush eyes with water. Seek medical attention if necessary.

Skin Contact: Remove contaminated clothing and immediately wash affected area for at least 5 minutes. If redness or irritation persists, seek medical attention as needed.

If Swallowed: Give large amounts of water.

PRECAUTIONARY STATEMENTS

Always consult the Safety Data sheet (SDS) for specific instructions. Keep out of reach of children. Users are cautioned to take reasonable safety precautions when handling and applying this product.

STORAGE AND DISPOSAL

Store in original containers and dispose of empty containers in accordance with local law.
